

# 2020 Trainings & Workshops

## FREE INTRODUCTORY TRAININGS

**AUG 19**  
2-4:30pm

**NOV 11**  
2-4:30pm

This training session will give you and your business associates the knowledge and tools to incorporate sustainability into your workplace. Our 2-hour, introductory trainings will inform you and your colleagues of how incorporating sustainability can help with employee satisfaction and retention, efficient resource use and environmental protection, and your bottom line.

## ADVANCED CERTIFICATIONS

**DEC 10**  
9-11:30AM

Take the next step beyond your Actively Green certification to become a silver or gold level certified business. Been wanting to make some changes at your work and want to incorporate even more sustainability? Our advanced level training session will give you knowledge on what is required for certification at the silver and gold levels.
